Computers For Learning Overview

Personal Property Management (PPM)
General Services Administration

What is Computers For Learning?

Computers For Learning (CFL) is:

- A **program** whereby educationally useful excess federal equipment is transferred directly to schools and educational nonprofit organizations.
- A **website** developed by GSA to facilitate the CFL transfers.

Authorities Behind CFL

- **15 USC 3710 (i)**
 - Stevenson-Wydler Technology Innovation Act of 1980
 - Agency authority for direct transfers to educational institutions and nonprofit organizations
- **Executive Order 12999 – Educational Technology: Ensuring Opportunity for All Children in the Next Century – 1996**
 - “To the extent permitted by law, all agencies shall give highest preference to schools and nonprofit organizations...in the transfer...of educationally useful Federal equipment.”
 - Computers for Learning Program

CFL Equipment Examples

- Laptops
- CPUs
- Monitors
- Keyboards
- Printers
- Scanners
- Modems
- Servers

Benefits of CFL

- **Good for Schools:**
 - Makes modern computer equipment an integral part of every classroom
 - Allows schools to acquire computer equipment at no cost except for transportation & refurbishing fees
- **Good for Government:**
 - Provides beneficial reuse of federal equipment
 - Maximizes the taxpayers' investment
- **Good for the Environment:**
 - Extends the life cycle and reduces landfill disposal

Definitions

- **“Schools”**...individual public or private education institutions encompassing pre-K through 12th grade, as well as public school districts.
- **“Educationally useful Federal equipment”**...computers and related peripheral tools ... including telecommunications and research equipment...for use in **prekindergarten, elementary, middle, or secondary school education.**

CFL's Role in the Disposition Process

- Federal agencies report their excess personal property to **GSAXcess** after conducting internal screening
- Excess property reported by federal agencies normally goes through **21 days** of federal and state screening.
- The **first 7 days** of screening are reserved for selection by schools and educational nonprofits under CFL
- CFL screening is the default for any property reported under **Federal Supply Group 70**
- Only **new, usable, and repairable** equipment

Separate Systems Interface

- Agency – GSAXcess.gov (CFL Functions Menu)
 - All agency actions completed within GSAXcess®
 - Report available items
 - View school requests
 - Allocate / Transfer computer equipment
 - System generated emails and transfer documents
- School – ComputersforLearning.gov
 - Screens available inventory on CFL website
 - Selects items desired for transfer and proceeds through checkout
 - Signs transfer certifying acceptance of donation

Two Donation Options...

- **15 USC 3710 (i)**
 - Authorizes direct transfers – “Title of ownership shall transfer with a gift under this section.”
 - **Computers for Learning Program**
- **Title 40 USC 549**
 - Authorizes transfers approved by GSA to a State Agency for Surplus Property (SASP) for subsequent donation to a school or educational non-profit
 - **Donation Program**

Agency's Role...

- **Eligibility Determination**
 - 15 USC 3710(i) is an Agency authority
 - Agencies DO NOT have to utilize GSA's CFL website. They have the authority to do direct transfers outside of the website.
- **Protect Information**
 - Follow agency guidelines to remove or clean hard drives
 - Remove all external storage media
 - Remove sensitive and PII information prior to transfer
- **Allocation and Transfer**
 - Agencies allocate and transfer property to CFL recipients
 - ***MUST VERIFY ELIGIBILITY OF REQUESTING ENTITIES***

GSA's Role...

- **Facilitate transfers**
 - Maintain **CFL website** and **GSAXcess®** module to support these agency transfers
- **Promote availability of these e-tools**
 - <http://ComputersForLearning.gov> (Schools)
 - <http://GSAXcess.gov> (Agency)

CFL Participants Role...

- **Register and request computers** on the CFL website
- **Does not pay for computers** and other equipment
- **Must pay for packing, handling, and transportation fees.**
- Take **ownership** upon **receipt**

The Process

- **School**
 - registers on computersforlearning.gov website
 - screens computers reported in GSAXcess®
 - selects computers desired for transfer using a virtual shopping cart and proceeds through checkout
- **System**
 - notifies the agency of school selections
- **Agency**
 - allocates the computer equipment to a school
- **System**
 - Sends allocation email to school with copy of transfer order attached

The Process cont.

- **School**
 - signs transfer order
 - faxes transfer order to holding agency
- **Agency**
 - signs transfer order and faxes transfer order back to school
 - completes transfer in system
- **School**
 - Presents signed order to agency at time of pickup up by school or the school's transportation agent

COVID-19 Vaccination and Testing Requirements for Access to Federal Facilities

In accordance with Federal policies, some Federal agencies may require visitors to complete a COVID-19 vaccine self-attestation form indicating their vaccination status. If the visitor is not fully vaccinated or declines to respond, they may be required to submit proof of a negative COVID-19 test before access to the facility is granted. Agency policies may vary depending on the nature of the agency's work, local conditions and other factors. Prior to screening or picking up property at a Federal facility, customers should contact the property custodian or point of contact for information about the facility's policies, procedures and applicable forms. An example COVID-19 Vaccination Attestation Form can be found [here](#).

Registration of schools and educational nonprofits in Computers For Learning has resumed

Registration of schools and educational nonprofits in Computers For Learning has resumed. However, the registration process for educational nonprofits has changed. Please follow instructions carefully when completing registration. If you have any questions, please contact the CFL Helpdesk:

Hours of Operation: 8:00 a.m. - 7:00 p.m. Eastern Time
 Phone (Toll free) 1-(866) 333-7472 Option 2
 Email: computers.learning@gsa.gov

Welcome to the CFL Website

Notice: Pursuant to statute, Congress has permitted the authority for Empowerment Zone (EZ) and Enterprise Community (EC) designations to expire. Because of this EZ and EC designations are no longer valid so that the EZ/EC question will no longer be included on the registration page for schools and educational nonprofits, and EZ/EC information will not appear on the school data sheets and property allocation pages.

In order to encourage and promote the reuse of computers, GSA is proud to sponsor the Computers for Learning (CFL) website.

The CFL program evolved as a guide for implementing Executive Order 12999, Educational Technology: Ensuring Opportunity for all Children in the Next Century. The order encourages agencies, to the extent permitted by law, to transfer computers and related peripheral equipment excess to their needs directly to schools and educational nonprofit organizations. The CFL website allows eligible recipients to view and select the computer equipment that federal agencies have reported as excess (via [GSAxcess®](#)).

PROCESSING CHANGE FOR FEDERAL ELECTRONICS: We are implementing the guidance in GSA [FMR Bulletin, B-34, Disposal of Federal Electronic Assets](#). All customers are advised that, effective Monday, 19 Mar 2012, the following notice applies to federal electronics assets reported and/or acquired through Computers for Learning:

Computers for Learning Program

Enhanced Educational Opportunities

One Country. One Mission. One Source.

The graphic is a horizontal banner for the "Computers for Learning Program". It features a dark green header bar with the text "Computers for Learning Program" in white. Below this is a light green bar with the text "Enhanced Educational Opportunities" in white. The main area is divided into three sections: a blue square on the left showing two children looking at a tablet, a green square in the center showing a 3D globe, and a light green square on the right showing three children working on computers. At the bottom, there is a dark blue bar and a light blue bar. The tagline "One Country. One Mission. One Source." is located at the bottom right.
