

Chapter NR 154

AIR POLLUTION CONTROL

NR 154.01	Definitions (p. 581)	NR 154.14	Control of carbon monoxide emissions (p. 643)
NR 154.015	Department review times (p. 600-4)	NR 154.145	Control of lead emissions (p. 643)
NR 154.02	Applicability (p. 600-4)	NR 154.15	Control of nitrogen compound emissions (p. 644)
NR 154.03	Registration of existing sources (p. 603)	NR 154.16	Use of standby fuel (p. 644)
NR 154.04	Permit requirements and exemptions (p. 604)	NR 154.17	Control of motor vehicles, internal combustion engines, and mobile sources (p. 644)
NR 154.05	Action on applications (p. 604-6)	NR 154.18	Malodorous emissions (p. 646)
NR 154.055	Relocation of portable sources (p. 608)	NR 154.19	Control of hazardous pollutants (p. 647)
NR 154.06	Operation and inspection of sources (p. 608)	NR 154.20	Emergency episode levels and emergency emissions control action programs (p. 648-2)
NR 154.07	County and regional programs (p. 612)	NR 154.21	Limitations on county, regional, or local regulations (p. 658)
NR 154.08	Enforcement and penalties (p. 613)	NR 154.22	Severability (p. 658)
NR 154.09	Emissions prohibited (p. 613)	NR 154.24	Procedures for noncontested case public hearings (p. 658)
NR 154.10	Limitations on open burning (p. 613)	NR 154.25	Procedures for alteration of permits by petition (p. 658-2)
NR 154.11	Control of particulate emissions (p. 614)		
NR 154.12	Control of sulfur emissions (p. 622-3)		
NR 154.13	Control of organic compound emissions (p. 622-6)		

History: Chapter NR 154 as it existed on March 31, 1972 was repealed and a new chapter NR 154 was created, Register, March, 1972, No. 195, effective April 1, 1972.

NR 154.015 Department review times. Unless another time period is specified by law, the department shall complete its review and make a determination on all applications for permits and approvals listed under this section within the number of business days indicated, based on the date of receipt of the application.

- (1) Alternate fuel variances under s. NR 154.02 (4) - business days;
- (2) Temporary excess emissions plans under s. NR 154.09 (1) (b) - 65 business days; and
- (3) Use of emergency or reserve equipment under s. NR 154.09 (1) (c) - 65 business days.

History: Cr. Register, April, 1985, No. 352, eff. 5-1-85.
