

NOTICE

Vickery Environmental, Inc.

Draft reissuance of exemption from Land Disposal Restrictions of the Hazardous and Solid Waste Amendments of 1984 for the injection of hazardous waste

The U.S. Environmental Protection Agency ("EPA"), Region 5, located at 77 West Jackson Blvd. Chicago IL 60604, is providing notice of its intent to reissue, and an opportunity to comment on, a draft exemption from the Land Disposal Restrictions of the Hazardous and Solid Waste Amendments (HSWA) of 1984 to the Resource Conservation and Recovery Act (RCRA) to Vickery Environmental, Inc. ("VEI"), 3956 State Route 412, Vickery, Ohio, for the injection of hazardous waste into five wells, under Section 1422(c) of the Safe Drinking Water Act (SDWA), 42 U.S.C. §300h-1(c); Sections 3004 (d)-(m) of RCRA, 42 U.S.C. §§ 6924 (d)-(m); 40 C.F.R. §§ 146.63-146.64 and Part 148, subpart C.

PUBLIC NOTICE: As provided in the attached fact sheet, VEI injects into four Class I hazardous wells and plans to inject into one additional Class I hazardous well liquid hazardous waste from a variety of sources under a reissued land ban exemption. EPA is providing notice and opportunity to comment on the modified conditions of the draft land ban exemption. The comment period will close at 11:59 pm on February 18, 2025.

OPPORTUNITY FOR COMMENT:

Modified conditions of the draft Land Ban Exemption

Consistent with the attached fact sheet for the draft land ban exemption, EPA is providing public notice of, and an opportunity to comment on, the modified conditions of the drafted land ban exemption pursuant to 40 C.F.R. §§ 124.10, 124.12. The modified conditions of the drafted land ban exemption concern the Well No. 8 located in northeastern Sandusky County, Ohio. EPA reissued the land ban exemption in 2015 authorizing the continuation of the existing land ban exemption. During the public comment period, any interested person may submit written comments on the modified conditions of the draft land ban exemption. Only the modified conditions proposed for the exemption reissuance are open for comment.

Instructions

Direct your comments to Docket ID No. EPA-R05-OW-2024-0495, at

<https://www.regulations.gov/docket/EPA-R05-OW-2024-0495>. If you submit a comment, you must provide your name and contact information (email preferred). Failure to do so may jeopardize your ability to receive notice of EPA's final decision or your ability to appeal said decision. All comments received will be included in the public docket without change and may be available online at <https://www.regulations.gov>, including any personal information provided. Do not submit information that you consider to be CBI or otherwise personal or protected through <https://www.regulations.gov>, or e-mail.

EPA encourages submittals via the electronic docket, but if you are unable to submit electronically to the docket or your comment contains sensitive information such as personal information or confidential business information, please reach out to Kaelyn Quinlan at 312-886-7199 for directions on how to submit your comment. Any information submitted as part of a comment during the public notice period outside of the <https://www.regulations.gov> system without prior direction from EPA

will be automatically captured and included as part of the comment that is placed in the administrative record, which is available to the public.

Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. If you need assistance in a language other than English, or you are a person with disabilities who needs a reasonable accommodation at no cost to you, please reach out to the EPA contact person.

ADMINISTRATIVE RECORD: The administrative records, including copies of the draft exemption, fact sheets, and the petition application documents, are available upon request to Kaelyn Quinlan, 312-886-7199 or R5UIC@epa.gov. In addition, a copy of each of the administrative records is open for public inspection at 77 West Jackson Blvd. Chicago, IL at a time by appointment or request. All data submitted by the applicant is available as part of the administrative records. EPA will finalize the complete administrative record at the time of any final decision is issued, consistent with 40 C.F.R. § 124.18.
