Subject:       Underground Injection Control (UIC) Permit Application  
                  Carbon TerraVault 1, LLC (CTV) A1-A2 Project  
                  Class VI Pre-Construction Permit No. R9UIC-CA6-FY21-1.1 and R9UIC-CA6-FY21-1.2  
                  Technical Review of Application

Dear Mr. Hurst,

The United States Environmental Protection Agency, Region 9 (EPA) has conducted a technical evaluation of the Computational and Static Modeling for the subject permit application. Based on this evaluation, we have identified additional information or clarification needed for continued evaluation of the permit application. These comments are included in the Enclosure.

Please submit the information requested in the Enclosure by October 25, 2024. If you have any questions about this letter or the Enclosure, please contact me at (415) 972-3971, or Elise Nord at (415) 972-3079.

Sincerely,

David Albright  
Manager, Groundwater Protection Section
