SUBJECT: Administrative Review of Application
Carbon TerraVault Holdings LLC (CTV) IV Project
Underground Injection Control (UIC) Permit Application
Class VI Pre-Construction Permit Application No. R9UIC-CA6-FY23-3.1 to 3.8

Dear William Chessum,

The United States Environmental Protection Agency, Region 9 (EPA), pursuant to 40 CFR §124.3(c), has conducted an administrative review of the subject permit application for eight (8) proposed Class VI injection wells located in Sacramento County, California. Following the review of your application, received on April 27, 2023, and updated application materials on June 20, 2023 and again on June 29, 2023 we determined that the application is administratively complete.

We will begin our technical review of the permit application. During this phase, please note that we may request additional information and clarification of previously submitted information.

If you have any questions about this letter, please contact Abby Farrell at (415) 972-3937, or call me at (415) 972-3971.

Sincerely,

David Albright
