**Re: Technical Review of Application – Set 1**

Carbon TerraVault Holdings LLC (CTV) IV Project  
Underground Injection Control (UIC) Permit Application  
Class VI Pre-Construction Permit Application No. R9UIC-CA6-FY23-3.1 to 3.8

Dear William Chessum:

The United States Environmental Protection Agency, Region 9 has identified information or clarification needed for continued evaluation of the Site Characterization and Area of Review delineation modeling approach for the subject permit application. The comments are included in two (2) Enclosures (one on site characterization and one on AoR modeling) to this letter.

Please submit the information requested in the Enclosures by February 21, 2024. If you have any questions about this letter, please contact Abby Farrell at (415) 972-3937, or call me at (415) 972-3971.

Sincerely,

David Albright  
Manager, Groundwater Protection Section

Enclosures: Site Characterization (note – contains confidential business information, CBI)  
Area of Review Delineation Modeling Approach (note – contains CBI)
